MUSIC: THE OLD REFRAIN

Upon life's shore we stand,
A new born day
Uplifted in our hands,
Our worldly debt to pay.
We strive to carry on
At life's dark hour,
When hope is all but gone,
Obsessed by power.

And yet upon life's way,
We'll venture on—
No task too small for us,
No task too long,
Our torch victorious
Our fears are gone,
God give us lasting faith
To carry on.

BUSINESS BOARD

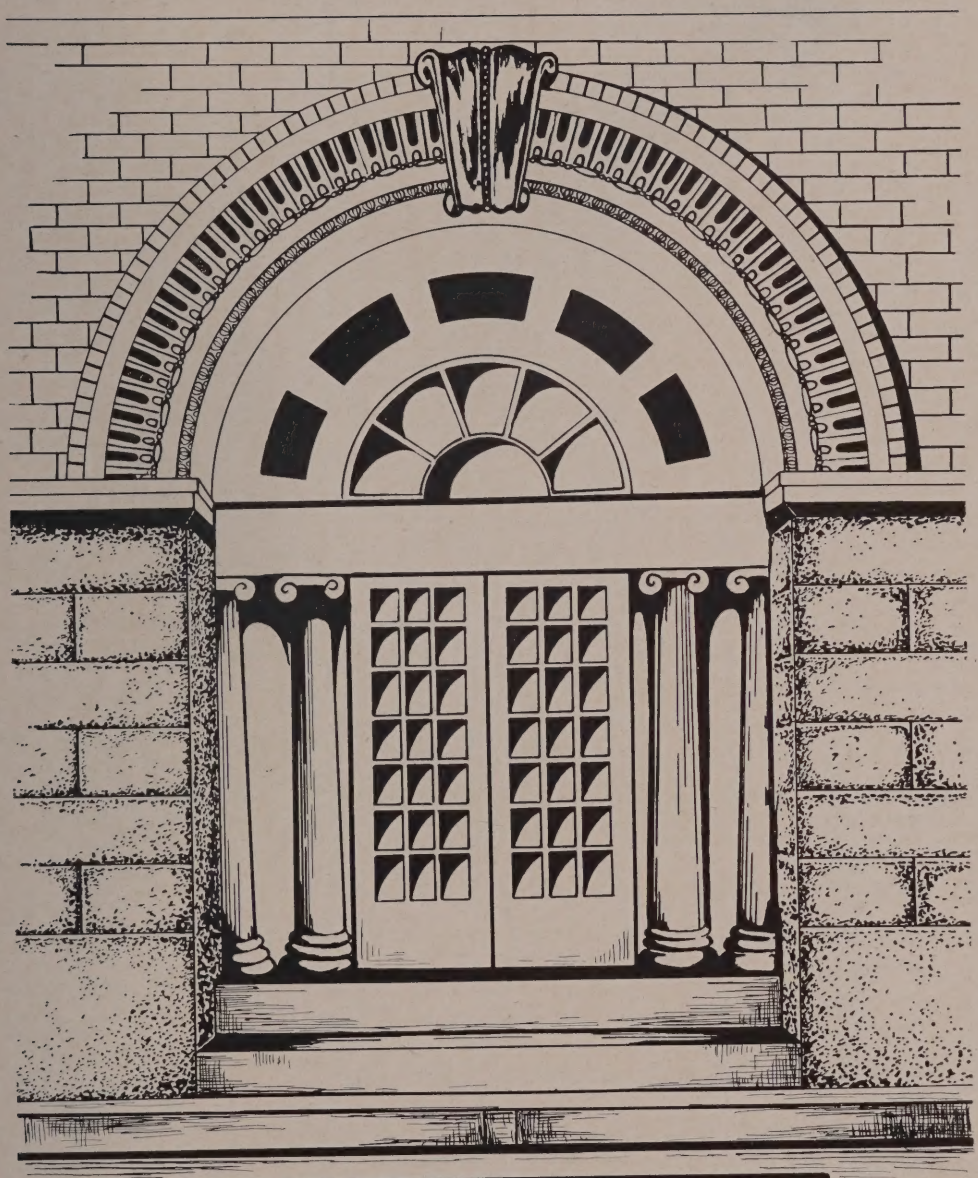
After striving zealously since the fall of '47, the staff and its advisor now render you their product, the "Spindle" of the class of '48. Much time and effort have been sacrificed by the editors in order to deliver this publication to you on time. We hope that you will make it a proud possession.

This souvenir book could not have been issued without some assistance. Therefore, Miss Ryan and the entire staff extend their deep appreciation for the services furnished by Miss Lowney and her personal staff. We also wish to express our gratitude for the cooperation of the faculty and the student body.

In the future the "Spindle" will continue to serve the reader as a history of the year's educational and social activities completely told in picture and story, well-printed, and durably bound. The following pages are intended to give you enjoyment, and to bring countless pleasant, humorous recollections that will be treasured in your hearts for many years.

Read on, classmates, and reminisce . . . . . .

LITERARY BOARD



ADMINISTRATION

RAYMOND A. SULLIVAN

The class of 1948 is the ninetieth to be graduated from this school which was first established in 1831 when Lowell was just winning its name, "The Spindle City".

It has been the purpose of our training to help you all construct your lives into a firm fabric.

Strands contributed to your heritage from Lowell High will, we hope, be valuable to you as you establish a happy and useful pattern of living.

By combining ambition and training each member of the class of '48 will be able to direct his talents to fill honorable and pleasant niches in our complex modern society.

Activities

Freshman Officers

Seated—Elaine Giddis, Sanford Fasth.
Standing—Barbara McCluskey, John Barrett.

Sophomore Officers

Seated—Fred Bennett, Raymond Armstrong.
Standing—Doris Pearsall, Edward Sinnet, Charlotte Kosartes.

Junior Class Officers

Left to Right—Burke McCready, treasurer; William Vlahakis, president; Peter Doulamis, first vice president; Eleanor Hamilton, second vice president.

Senior Class Officers

Left to right—Rosemary McHugh, secretary; Elizabeth Gleason, second vice president; Socrates Antonopoulos, president; Margaret Luz, first vice president; Thomas Ballos, treasurer.

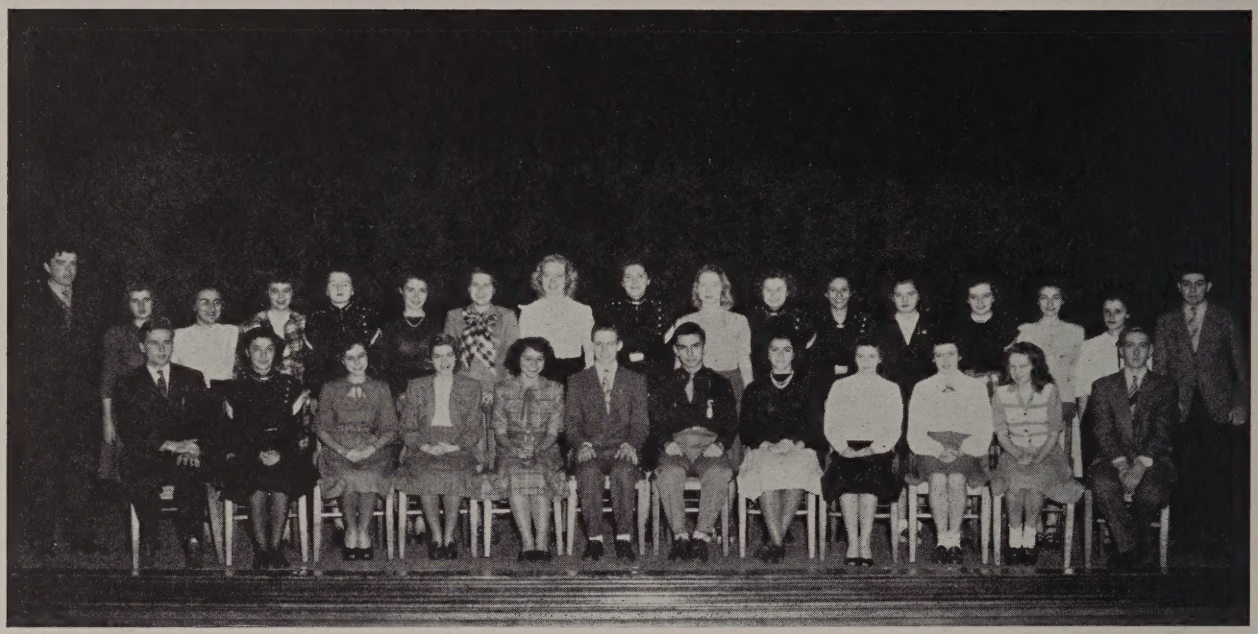
Senior Home Room Representatives

Assuming duties immediately following the election of class officers, the home room representatives began the collection of class dues in order to finance the Senior Social. This event, held at the Knights of Columbus Hall, featured Donald Bernstein and his orchestra.

Concluding four wonderful years here at L. H. S., we all participated in the glorious Senior Prom to be forever remembered. Down to the last senior boy and girl, it is with regret that we leave the yellow-bricked building on Kirk Street. Although many of us have experienced unpleasant moments, either socially or scholastically, the dominant factors of our student life here have been pleasant and memorable.

Whether or not we leave directly for a job or for a higher education, Lowell High School will still remain our alma mater.

National Honor Society



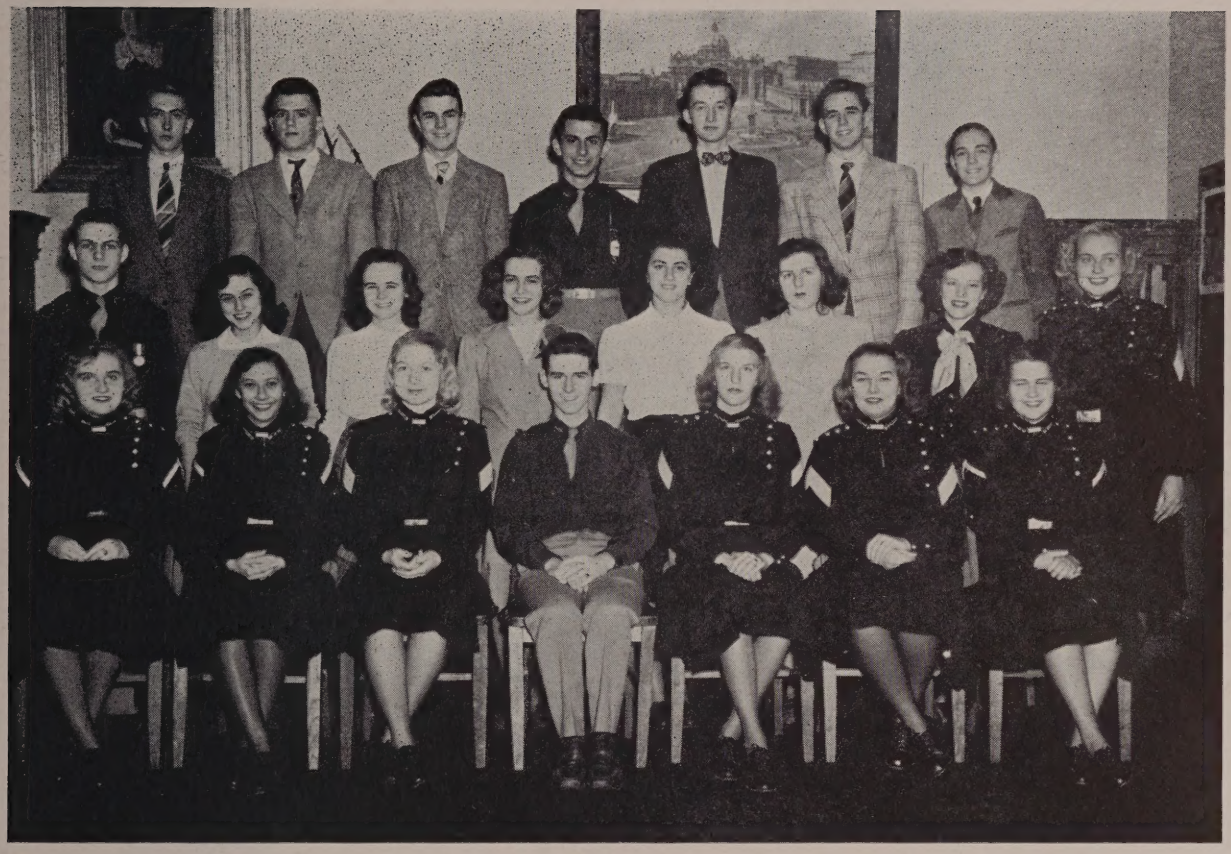
1st row, left to right—James Harlow, Vasilike Eleftherios, Estelle Lieberman, Ruth Hurwitz, Margaret Luz, Albert Giddis, Sarkis Sarkisian, Rose Der Sarkisian, Joan Keohane, Shelia Wrenn, Lillian LaBelle, Fred Gelineau. *2nd row, left to right*—John Maguire, Hilda Ferreira, Helen Capelianis, Nina Clare, Elizabeth Gleason, Zelda Sorota, Irene Rosenbaum, Florence Liston, Lilly Ellen Simmonds, Charlotte Hince, Dolores Nowak, Stella Mitsakos, Jean Macdonald, Jeannine Poirer, Joyce Dabilis, Mary Veiga, Haig Donoian.

Character, scholarship, leadership, service — these are the four cardinal principles of the National Honor Society. Its high ideals are symbolic of every Honor Society in existence.

In order to be conferred the honor and distinction of election to this organization, a student must possess certain qualifications, for this group is a distinguished one. Those Juniors with a grade of at least 90%, within the highest 5% of the junior class, and those Seniors with a grade of at least 85%, within 15% of the senior class, are eligible for membership. Obviously it is quite an honor, and a feat, to qualify as a member to this outstanding group in the junior year.

Having been approved by the headmaster, submasters, and department heads, the newly-selected students are initiated at a special ceremony held before the entire student body.

Review Staff

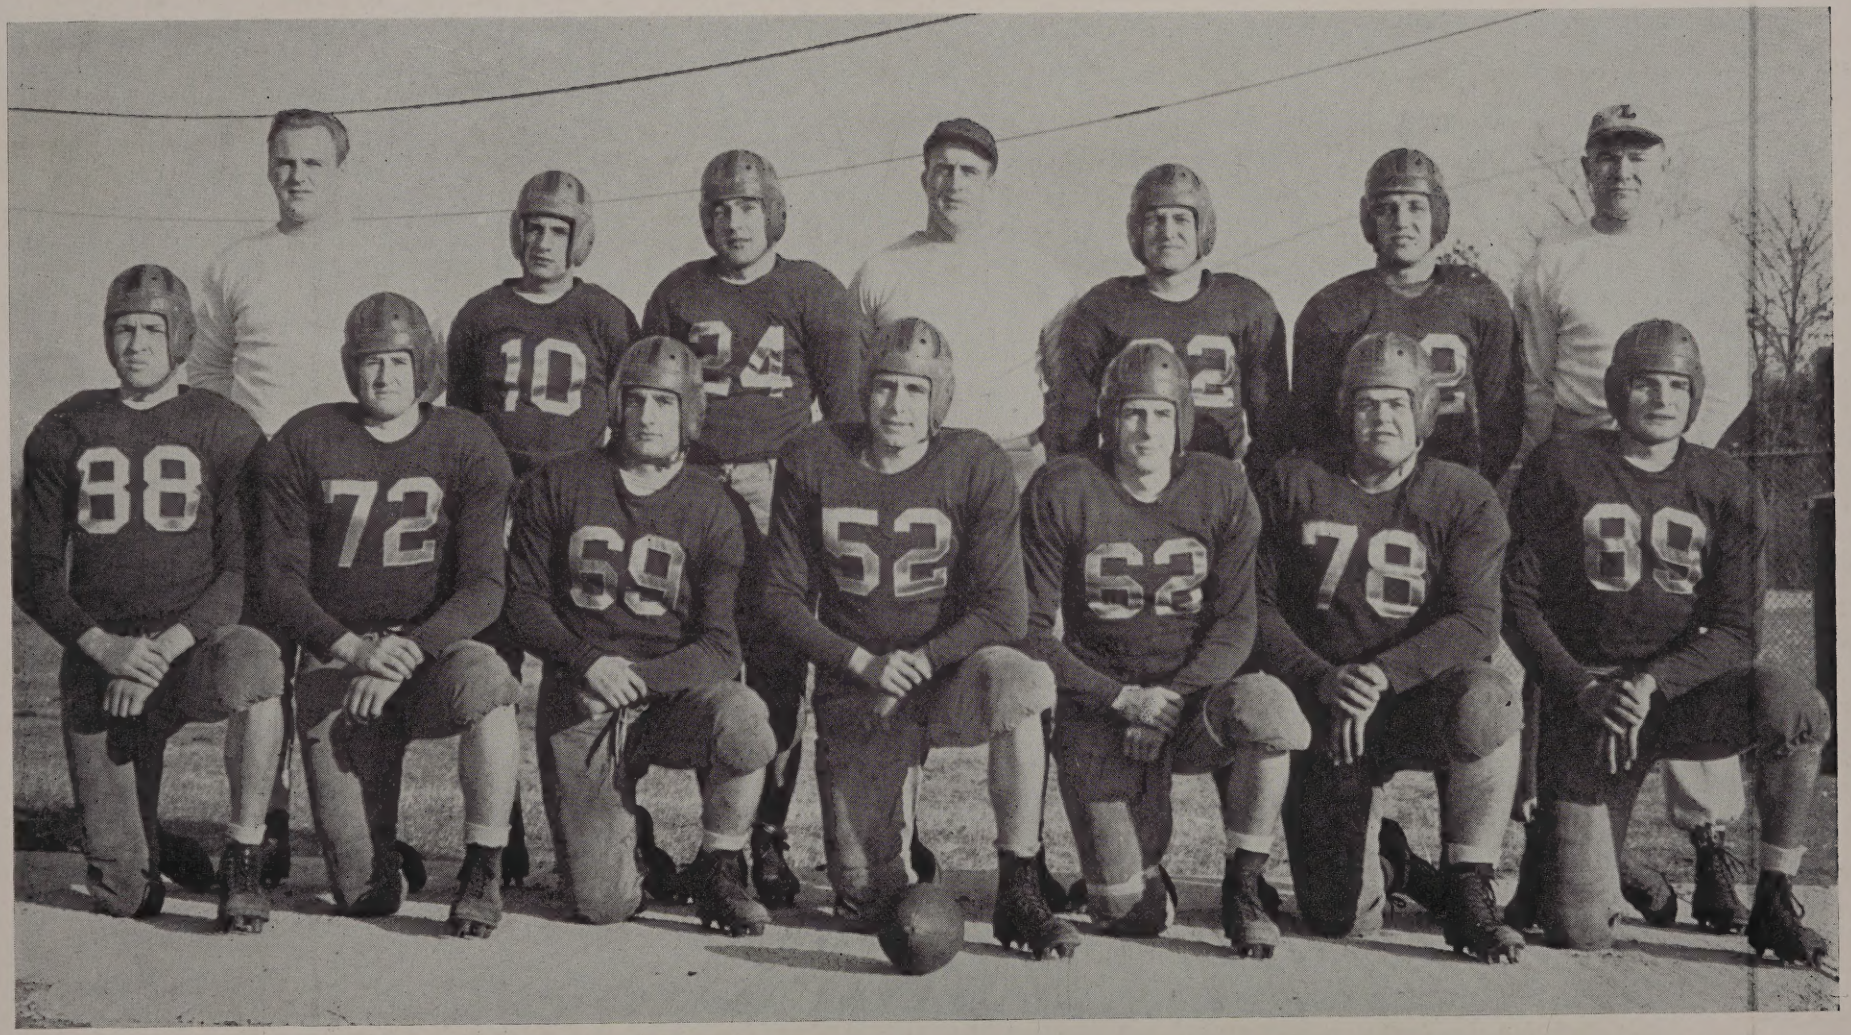


Seated—Frances Regan, Stella Mitsakos, Charlotte Hince, Frederick Peterson, Priscilla Hynson, Johanna Mahoney, Irene Rosenbaum. *Middle row*—Albert Giddis, Estelle Lieberman, Ann Marie Kelly, Marie Sweeney, Rose Der Sarkisian, Shelia Gilbride, Barbara Mussen, Florence Liston. *Rear*—Frederick Gelineau, Francis Breen, Harold Waight, Sarkis Sarkisian, Alden Buchanan, Dana Bernson, Thomas Boyle.

During its sixty-one years as the student newspaper, the "Review" has undergone various innovations. Previously a magazine, it is now printed in tabloid form. As we peruse the back issues, we find that the highlights of the current publications have been articles concerning major school activities.

As usual the "Blah" has been the main attraction. But also featured heve been Sports, Anthony's Anecdotes, Profiles, and Vacuum Cleaner — the latter column dealing with anything from soup to nuts

Appointment to the staff is made by Miss Anna M. Ryan, its faculty advisor. Selections are considered at the end of the junior year, and based upon a student's English III grade and upon recommendations by his English teacher as to his prospects in journalism.



LHS FIRST TEAM—Left to right: Arthur Lemoine, Paul Keefe, Chris Vangos, Roger Sanborn, Gene Dziczek, Loucas Pappaioanou and Menil Mavreides. Rear left to right: Assistant Coach Billy Wilson, Tarsey Kouchalakos, Walter Polak, Head Coach Ray Riddick, Chris Dokos, Capt. Walt Kulis and Assistant Coach Jim Manley.

Football

Triumphing over all the trials and tribulations that beset a coach taking over a new team, Raymond Riddick put together a football team that gave a fine account of itself each time it was tested. From ten contests the '47 red and gray eleven emerged victorious on six occasions. While every member of the squad was deserving of special praise, the team's outstanding performer was Captain Walter "Tick" Kulis, whose hard running and accurate passing accounted for many of the L. H. S. touchdowns.

Our 1948 Hoopsters

Bottom left to right—Walter Kulis, Paul Tatsios, Leon Fournier, Peter Kalergeropoulos, Chris Dokas. *Rear*— Clarence Edwards, Capt. John Ginalski, Dick Fadden, Coach Tony Archinski, Alvaro Gouveia, Sam Goodsoozian, Albert Lenzi.

Although its roster included many fine basketball players, our luckless hoop squad could fashion only one sustained win streak (five consecutive greater Boston league victories). The season cannot be classified as unsuccessful, however, as our quintet can point with pride to a pair of double victories over the traditional rivals, Keith Academy and Lawrence High School. The four objective wins together with the win streak gave the L. H. S. basketeers nine wins in eighteen starts. Captain John Ginalski, Al Lenzi, captain elect Pete Kalergeropoulos, Leon Fournier, Chris Dokos, Sam Goodzoosian, and Clarence Edwards were the consistent scorers.

Track

The L. H. S. track team under the capable direction of coach George Haggerty enjoyed another successful season, despite a slow start. Highlight of the season was the runaway victory over Lawrence. The total of 52½ points rolled up by the red and gray speedsters was one of the largest in the history of the Lowell-Lawrence series. The usual meet with Andover was not held this season. It was replaced by a contest against Manchester, N. H., which our trackmen won.

Outstanding among the team's runners were Captain Gene Dziczek, Tom Small, Peter Makiej, Julian Mroz, Fred Pawlowski, and Joe Mello. In the field events, Mark Perrault, Brian Reynolds, and Bob Swan were tops.

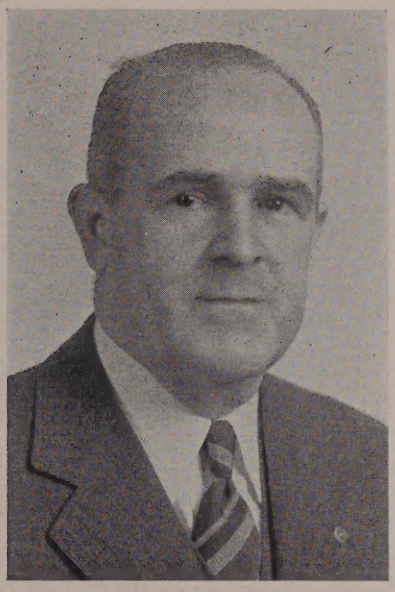
The Baton Twirlers



WILFRID T. BOULGER

The Baton Twirlers

Thanksgiving 1947, marked the thirteenth anniversary of the Lowell High School Baton Twirlers. In 1935, under the direction of Wilfrid T. Boulger, 30 girls appeared on the football field during the half as part of the program. This season about 75 members including 6 leaders thrilled the crowds with their well executed drills and precision twirling. And although they are not part of the Physical Education Department they participate in Field Day each year.

Memorial Day finds the girls strutting down the street in fine fashion attired in natty white and gold uniforms. The twirlers willingly lend a hand to all charitable functions. They are well known in Lowell and surrounding towns for their fine performances.

One of the main events of the year is the Championship Contest which usually takes place in April. There is also a Rookie Contest later in the season. The Championship Contest selects the most accomplished girl of the more experienced group and the Rookie Contest recognizes the most advanced girl for her first year.

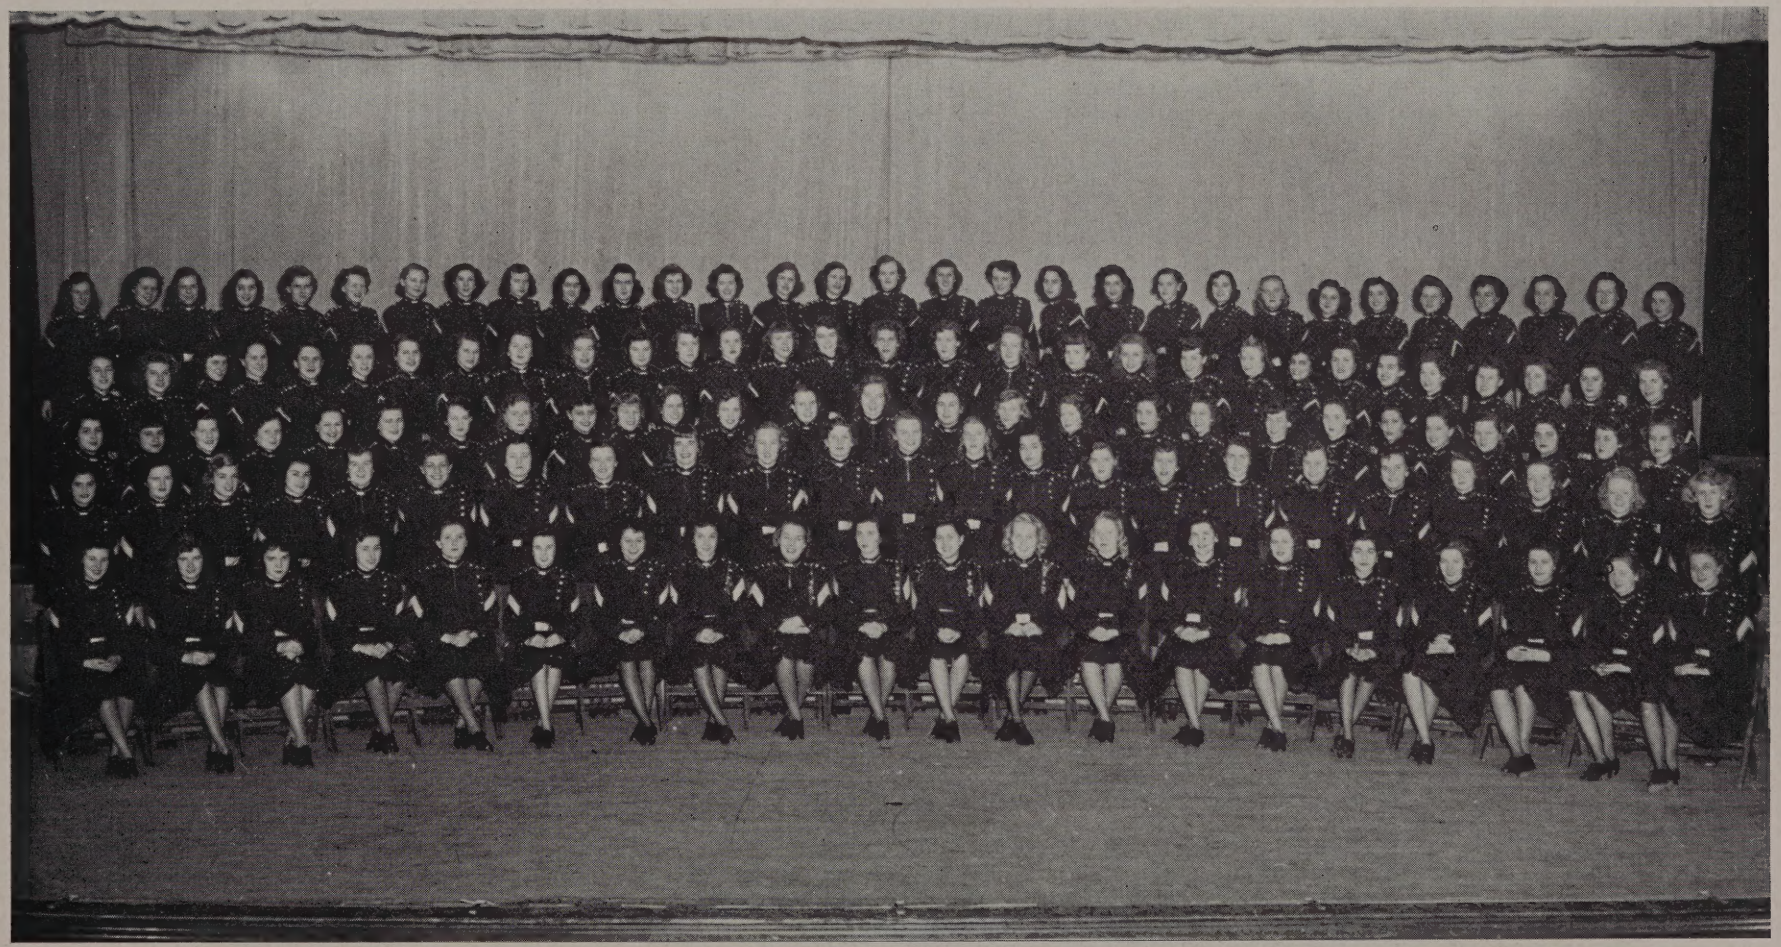
Girl Officers



Bawita Lawler

Girl Officers

Once more the beautiful Girl Officers have been outstanding; the "new look" has dominated the ranks of the female regiment. Flashing their swords and marching with the characteristic pointed toe, the girls, under supervision from Miss Bawita Lawler, have again made Field Day a treasured event. Their Ball in February was equally breathtaking. In addition, the officers have furnished aid to many organizations by offering their kind services to such causes as the TB Drive, and by acting as usherettes and checkers at various functions, both school and civic.

For over fifty years, junior girls have endeavored to excel in posture, marching, voice, clubs, and dance in order that they might bear the proud garb of a girl officer. Moreover, to attain such an honor, the young ladies must have attained good scholastic and deportment ratings. Consequently, when expert out-of-town judges select young ladies as top-ranking officers, these girls can surely call it an achievement to be chosen.

Personnel Department

One of the busiest groups in the school is the personnel staff. The members of the department spend their time mimeographing tests, office forms, daily absentee lists and notices, schedules, and typing letters. Besides doing work for the school, they are often called upon to mimeograph or type material for outside organizations.

The head of the department is Miss Annabelle C. Lowney, who assigns the work to the girls and advises them in the manner in which it should be done.

Floormasters' Assistants

First row, seated, left to right—Ann Kefaleas, Betty Gleason, Barbara Furlong, Elaine Bell, Nina Clare. *2nd row*—Mary Weir, Nafie Husson, Eleanor Klatka, Winona Steele, Gloria St. Hilaire, Pauline Andreoli, Joan Altemus, Theresa Quinn. *3rd row*—Helen Smith, Eleanor Weir, Anastasia Tsaknopoulos, Priscilla McCann, Norma Conlon, Betty Richards, Lillian LaBelle.

Room 100

Left to right—Theresa Kelley, Marie Shea, Una Cox, Mr. Emmett Harris.

Perhaps the most visited room outside of the assignment class is Room 100. For, there, Mr. Harris and his staff manage school funds, sell tickets to school activities, keep track of lost books and keys, and what not. For their innumerable services, we extend our sincere appreciation.

Since 1921, students of Spanish have been instructed in Latin American people and their customs through the second oldest club in the school, the Spanish Club. Mr. Eladio Fernandez speaks annually on the language and tradition of South America, which makes a rather attractive topic for discussion.

Although activities have been limited, the club ran off a well-attended Halloween Dance, thus enhancing the treasury. With part of the finances, Mr. Edward B. Cornell, head of the Spanish department, and the officers of this organization presented the members with pins.

Then, too, the group enjoyed its annual Spanish luncheon, at which occasion typical Latin food such as "hot" tamales, chili con carne, and Spanish pastry was served.

JOHN J. GIBLIN

The Band

The Lowell High School Band has an honorable heritage. Founded in 1923 by Mr. John J. Giblin, it has continued under his direction to the present time, and its history stands as a monument to his leadership.

In 1924 the band was invited by John Philip Sousa to play with his musicians. In 1926 it participated in a national music tournament in Fostoria, Ohio. To get funds to finance this trip, the band boys themselves, raised $4300. At the end of the trip they returned with eight cents to spare. In 1927 newspaper headlines read "L.H.S. band wins First Prize, Class A, in New England Tournament". Mr. Giblin has treasured in his scrap book a certificate awarded by the National Bureau for the Advancement of Music to the band, designating it as a first prize winner of class "A" in Gloucester in 1937.

Proud as we are of these outstanding accomplishments, we are also deeply grateful to the members of the Lowell High School Band for the unfailing service they have rendered the school. Throughout the years they have been an integral part of its life. The band has given support to our football teams in defeat as well as in victory. It has performed at school shows and civic functions, and has made a valuable contribution to the success of every Field Day.

Our sincere hope is that future bands may be worthy of their heritage.

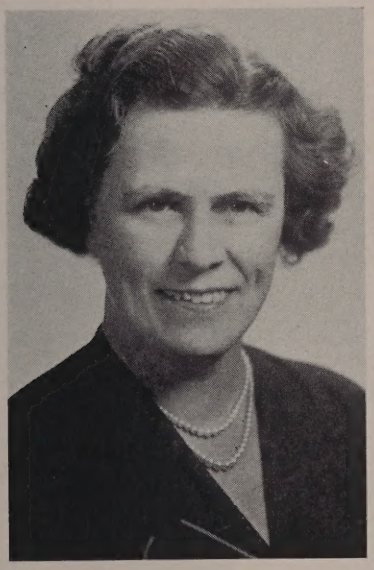
The Special Chorus



GERTRUDE F. O'BRIEN

Numbering approximately eighty voices, the Special Chorus is a group forever to be recalled to mind as an example of the musical culture of our student body. Under the capable direction of Miss Gertrude F. O'Brien, junior and senior boys and girls combine in the participation of school assemblies. In addition the Chorus has delighted many civic organizations, several educational groups and service clubs with their thrilling harmony.

To wear the maroon robe, a student must be selected by Miss O'Brien from the regular chorus classes. The Special Chorus rehearses every Thursday after school. Outstanding musicians of the group have been Michael Savas, sometimes conducting, and Glenice Hiley, accompanist. The group has not been organized under officers.

The Orchestra

The Lowell High School orchestra, organized a quarter of a century ago under the direction of Mr. Frederick O. Blunt, was the forerunner of a succession of fine orchestras which have enriched the life of students each year. From time to time, the instrumentation has been changed, following current trends, but always the same high musical standards have been maintained.

At present the orchestra is under the capable direction of Miss Gertrude F. O'Brien who encourages all students with musical talent to join. Rehearsals are held every Wednesday afternoon in the High School Auditorium. Members are given one credit toward a diploma. These young people not only acquire practical experience in ensemble playing, but often are inspired to continue in the field of music and on to successful careers.

The orchestra is always in demand. It appears at school assemblies, the school play, and also entertains at many civic and educational activities in Lowell. We wish to extend to its personnel and to Miss O'Brien, our sincere thanks for their contribution to the development of the musical life of our city in 1948.

Greenhalge Debating Society

Seated left to right— Mary Erwin, Zelda Sorota, Irene Rosenbaum, Melba Trevors, Joan McCarthy. *2nd row, left to right*—Ruth Hurwitz, Eleanor Klatka, Florence Liston, Maureen Sullivan, Alice Levanthal, Stella Mitsakos, Estelle Lieberman, Paula Levin. *3rd row, left to right*—Irving Bernstein, Henry O'Brien, Walter Kubacki, Edward Goyette.

Affiliated with the National Forensic League, the Greenhalge Debating Society boasts an excellent record — and rightly so. During the past decade, since Mr. Francis D. Reardon has coached the team, the society has won the majority of its debating encounters. Through declamation, original oratory, and extemporaneous speaking, it has eloquently captured several district tournaments. In fact, for three years, the student debators have marched away with the state championship.

This year the team debated the national high school subject, "Resolved that the Federal government should regulate compulsory arbitration of labor disputes in all basic American industries."

Through Judge Fred B. Greenhalge, son of the founder, the organization awards gold pins to those who excel in the art of debating.

Book Room

Seated, left to right—Norma Stanley, Joan Hardman, Helen Higgins, Barbara Hansen, Elaine Horgan, Ann McArthur. *Standing, left to right*—Phyllis Howard, Katherine Kosartes, Betty McHugh, Phyllis Hanson, Dolores LaFleur.

In a dimly-lighted room known as the book room, the girls in the photo above this write-up serve the English department during four periods every school day.

Assuming their duties at the outset of the school year, these librarians record all incoming and outgoing books until the school year terminates. Going quietly about its task, this group is definitely a necessity to the efficient management of the English department. All English teachers appreciate and recognize the value of such aid. Mr. Francis Reardon is the director of the girls in the book room.

The Science Club

Science Club

Boasting a record membership, the Science Club has enjoyed a program consisting of lectures, demonstrations, and field trips. Delivered by outside speakers and members of the club, the lectures touched on the several branches of physics, astronomy, and biology. The demonstrations put on by the members themselves were primarily concerned with chemistry and physics. Educational were their trips to Crax, the "Sun", and the Lowell Textile School, Father John's Cough Medicine Company and Prince Macaroni Company.

At the outset of the year the group subscribed to Science News Letter, a publication sponsored by the Science Clubs of America. This magazine keeps the students abreast with current scientific research and development.

The organization's purpose is to stimulate some interest in and desire for scientific study and research. This is accomplished by presenting different fields of science to the members through lectures, demonstrations, and trips to local industrial plants where they can see what is actually going on in industry. Thus perhaps, the student would have received some help in deciding his future plans.

Along with its intellectual side, the club has had its social front also. As a conclusion of their activities, all enjoyed themselves at the annual Science Club Party. Before the fun began, new officers were elected. The officers this year were Frederick D. Gelineau, President; Florence P. Liston, Vice-President; Albert R. Giddis, Program Chairman (who, unfortunately, has had his person cut out of the picture), Thomas Barrett, Secretary, and Doris Salvas, Treasurer.

Tri-Hi

Seated, left to right—Pauline Roarke, program chairman; Patricia Pusher, Vice-President; Barbara Mussen, President; Jane Balkus, Treasurer; Ismene Vozeolos, publicity; Avra Kevghas, publicity. *2nd row, left to right*—Lillian LaBelle, Cynthia Scagos, Norma Stanley, Janice Wood, Gloria Blaisdell, Rita Annaldo, Bessie Metropolis, Kay Kosartes, Alice Sayer, Marilyn Stuart, Laurette Daigle. *3rd row*—Mary Ucewicz, Dorothy Swanson, Doris Belanger, Estelle Martineau, Marion Santos, Meredith Dahl, Bessie Lekas, Toula Miamis, Joyce Dabilis, Grace Shaughnessy, Sheila Wrenn, Elaine Bell. *4th row, left to right*—Florence Gallagher, Eleanor Pendergast, Elinor Reilly, Theresa Dery, Pauline Allard, Pat Murry, Gloria Schoen, Pauline Ouellette, Virginia Taylor, Helen Avila.

Under the supervision of Mrs. George Drew, the Y-Teen clubs have been kept busy all year with civic and social functions. The program, planned by the girls themselves is enlightening. Noted personalities and former Tri-Hi members have visited them to speak on vocational and cultural fields. The girls have also enjoyed theatre and toboggan parties, pot-luck suppers and cook-outs, dances and hay rides.

The Y-Teens have assisted in the sale of Xmas cards and TB seals, have collected food and clothing for the needy in Europe, and have contributed toward the milk fund for European children. For these kind acts, we congratulate them.

Besides personality and grooming meetings, discussions on style trends, and excursions to numerous plants, the Y-Teen members participated in the annual Mother-Daughter Banquet. All divisions took part in sending delegates to the Midwinter Day Conference in Manchester, N. H., and to the Summer Conference in the latter part of June.

Hi-Y Club

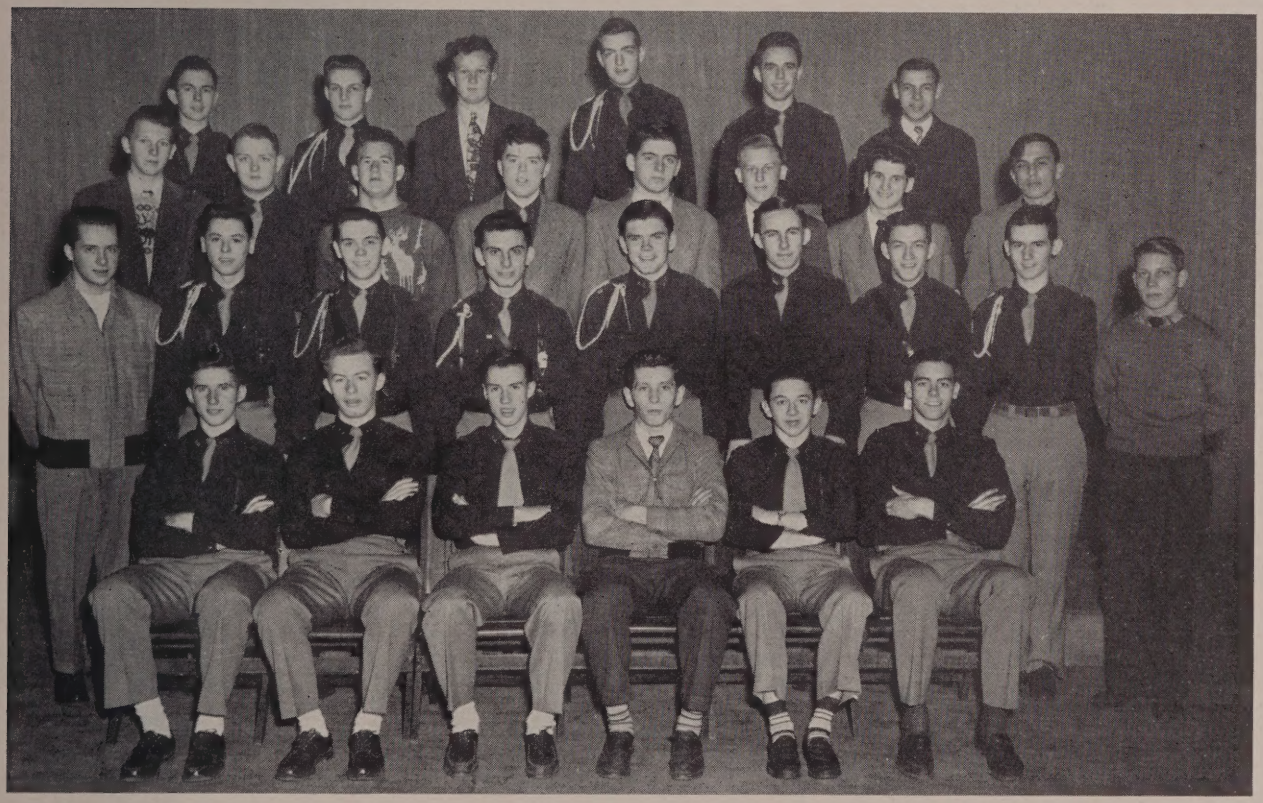
A group of high school boys, some 40 in number, meeting at the Pittsfield Y. M. C. A. on March 11, 1911, organized the Pi-Hi Club . From other sources we learn that Chapman, Kans., organized work with high school boys as early as 1889. A few years later, the Pittsfield group dropped the original name and chose the term "Hi-Y."

The Hi-Y purpose is "to create, maintain, and extend throughout the school and community, high standards of Christian character through clean speech, clean living, clean scholarship, and clean sportsmanship."

Since it is non-sectarian and undenominational, Catholics, Jews, and Protestants can all be wholly at home in Hi-Y. And they are certainly at home on Tuesday evenings, for, after relishing delightful suppers prepared by the "Y" Auxiliary, talks are delivered by noted men in various occupations. Many of these informal after-dinner talks are supplemented by slides and other objects.

As in previous years, delegates from the Hi-Y attended the 58th Older Boys Conference at Northamptotn for three days, and delegates were also sent to the Hi-Y Training Conference at Camp Rotary, Boxford, Mass. Advising the fellows are Stanley J. Stocklosa and Paul V. McLaughlin of the faculty, and Mike Pearson of the Y. M. C. A.

This club has also put on a successful Hallowe'en Party, a hilarious hay ride, an enjoyable sports night, and a delightful faculty night. At this last function each member invited a teacher as guest. Highlighting the social calendar was the combined Hi-Y-Y-Teen spring formal at a local country club.



Front row—Clarence Edwards, Treasurer; Norman Silcox, Vice President; John Ginalski, President; Robert Huntley, Vice President; Clayton Stoddard, Secretary; Richard La Plante, Unit Secretary. *Second Row*—Roy Hayward, Raymond Normandin, Edward Tanny, Sarkis Sarkisian, Robert Lawton, John Hogan, Robert Larocke, Frederick Peterson, Clyde Gill. *Third row*—Paul Morais, Maurice Lambert, Paul Keefe, John Maguire, Thomas Barrett, Henry Szczepanik, Walter Sousa, Anthony Economou. *Rear*—George Stewart Albert Giddis, Robert Dowrey, John Cull, Dana Bernson, Paul Gendron.

The Speakers' Bureau

In the interest of the Lowell Tuberculosis Council, a group of students known as the Speakers' Bureau, urged the people of Lowell to purchase Christmas seals and to have chest X-rays taken. This was accomplished by dispatching several of the members to speak before many local organizations. To cover a broader territory, Miss Casey, director of the group, designated fourteen boys and girls to address the people of Lowell on broadcasts from WLLH.

Although seemingly a trifle, the work done by this group is, on the contrary, of the utmost significance. For it displays the willing cooperation of the Lowell High School in campaigning for a worthy cause. Representing the student body, the Speakers' Bureau demonstrates that the students of Lowell High realize their civic responsibilities.
